

# Amador Township Charities

October 2021

*We really need your help this year! Even if you can donate a few dollars—they are appreciated.*

***Do you REALLY know how important your donation is? YOUR donations make this a better place to live!***

- *Your donations have helped purchase fire fighting equipment for the township!*
- *Your donations have allowed the museum to restore pre-1900 Swedish log cabins & interpret local history!*
- *Your donations help children play ball in Amador Township each summer!*
- *Your donations help children in OUR community!*
- *Help us restore our Almelund 1939 Fire Truck!*

**Enjoy the new painted figures that are now adorning structures in Almelund? More have been ordered—please help us pay for them! Maybe you'd like to adopt & pay for one?**

***Your annual charity gifts help OUR home community. Your donation is vital to local organizations. You can actually help our community prosper!*** Your donations are tax deductible and a receipt is available upon request. Own property in the township, but don't live here? Help us anyway! The size of your donation is not as important as donating! ***Please send in your donation by December 1, 2021 if possible. However, your donation is welcomed anytime during the year.***

- ***EVEN IF YOU DON'T LIVE IN THE TOWNSHIP, YOU CAN STILL SUPPORT LOCAL ORGANIZATIONS.***

**We need your help making this year's Amador Charity Drive a success.** This once-a-year drive is conducted through the mail. ***Please review the charities listed below and designate the amount you wish to contribute. If your favorite charity is not listed, please list it at the bottom of the sheet.***

*If you are interested in joining an organization in our community,* please call Pat Remer at 583-2100 or Lin Strong at 651-269-3580 (Lin.Strong269@gmail.com) for more information. ***Please consider this YOUR personal invitation to community involvement.***
